KLICKITAT COUNTY DEPARTMENT OF EMERGENCY MANAGEMENT

Emergency Management Volunteer Program

Volunteers are needed to assist the Klickitat County Department of Emergency Management (KCDEM) staff in organizing, preparing, and operating the County's Emergency Operations Center (EOC) in Goldendale and performing other tasks during disasters (natural and man-made) and training exercises. The EOC supports First Responders during large-scale incidents & complex training events, and coordinates emergency efforts among city & county jurisdictions.

Volunteers commit two-hours each month to scheduled classes and drills. They are then "On-Call" for activations. Attendance at unscheduled activities occurs ONLY if the Volunteer is willing and available. That said, there are opportunities to participate in KCDEM related community events; as well as project work that can be undertaken with the permission of the Program Coordinator or their designee throughout the year.

Volunteers will train one evening per month. They will help organize and prepare the EOC for 24-hour operation; will operate the EOC (answer phones, talk on public safety radios, provide logistical support to First Responders, plan for multi-day operations, track purchases, etc.) during large-scale emergencies and disaster recovery efforts, and during complex training activities; will issue information to the public, and other local, county, and state government agencies; deploy and staff KCDEM's Mobile Command Post.

Most of the required training and exercises is provided during the monthly two-hour training nights. There are opportunities for participation in other classes and drills, as well. Approved training is provided at no cost to the Volunteers.

Volunteers meet in the EOC on the ground floor of the KCDEM Building at 199 Industrial Way, Goldendale. If you are interested, please submit the required application and background check form to be considered for membership. Successful candidates are required to sign a Confidentiality Agreement to protect private information that may be encountered during emergencies involving service to the public.

The opportunities for participation are endless. Almost everybody should be able to find activities and responsibilities that interest them while serving local residents in preparation for/during situations that challenge our community.

For more information, please contact the Emergency Management Program Coordinator at emergencymanagement@klickitatcounty.org or 509-773-0582 ext. 1.
