April 2021 Newsletter

Klickitat County Residents,

April is here and things are starting to open back up as COVID-19 restrictions are decreased. We are excited to be getting closer to the upcoming summer which will hopefully allow us to bring our outreach and education to you at the local events! Do you have something you would like to see from us, if so let us know! [Send me an email](#) and let's chat.

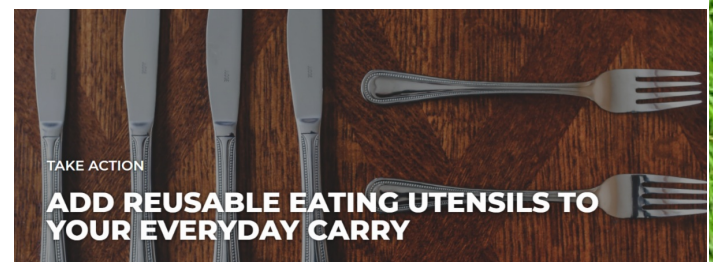

UPCOMING

April 22nd, 2021 is EARTH DAY!

Here at the Solid Waste Department we love the beauty of our county and work hard every day to do what we can to keep it that way! If you want to make a difference this Earth Day take a look at these [51 actions](#) that you can take.

- Take a pledge to reduce your plastic footprint
- Take a pledge to carry reusable eating utensils

There are so many different ways you can [Take Action Now!](#)

Get a FREE Utensil Set!

The Klickitat County Solid Waste Department in Cooperation with Republic Services and the Washington Department of Ecology has a free reusable utensil set for the **first 25 people** that are signed up for our email list and complete the Free Gift Form.

RECYCLING TIPS

Although yard waste can not be placed in our blue bag recycling program there is a great alternative in our county. Dirt Huggers offers a great Organics Recycling program. [Check them out!](#)

Republic Services does NOT recycle Yard Waste. However, it can be taken to Dirt Huggers to be used in their Organic Recycling program. They have specific requirements so please check their webpage or give them a call.
