REDUCE AND REUSE

Choose your canvas and your theme and show us your creativity while helping others learn how to reduce the amount of waste we are producing.

Canvas Options

Poster Board on Food Waste - Use products around your house if possible, such as a shipping box or cereal boxes taped/glued together or you can use any poster board or paper you can find at home (Maximum size of 24" by 36"). Include a food waste fact and explain ways to reduce it such as composting. Teach us something! Pictures are great!

Create an Item (Upcycle) – Take a product that is currently going to your trash and turn it into something you can use. (Old clothes, cans, boxes, etc.) Take a picture of your item and give us some instructions on how to make it for ourselves.

Educational Video- Create an educational video, it can be funny, serious or something in between, just help us learn something that will teach us how to reduce our waste. (Minimum of 1 minute and a maximum of 5 minutes)
